A Cooling ARCHWAY Heating

620 East Grant Street • Belleville • (618) 234-2810

Archway Cooling & Heating, Inc. has been a family business in Belleville for many years. It started with Melvin Southerland 27 years ago. Mel's step-son, Bob Jones and his wife Margaret, took over in 1980 when Mel retired.

Among other employees, Bob's son, Mike Jones is employed as a journeyman sheetmetal worker. Mike also figures plans and estimates. Bob's daughter, Julie is office manager and daughter, Jean is the service secretary. Julie's husband, Tom is also a sheetmetal worker for us.

We install Trane and Lennox brand furnaces, air conditioners and heat pumps, as well as humidifiers and electronic air cleaners for new construction and remodeling jobs.

Our service department operates Monday thru Friday 8:00 am to 4:30 pm and runs emergency services on weekends.

We would like to express our sincere thanks to our customers for their continued patronage and welcome all new customers to call us for service or free estimates on equipment.
